obsessions

"Grace Raymond—one of my best friends—has always had an affinity for crystals and the properties of stones. Her most recent design is not only a stunning piece of jewelry, but also brings protection and light energy close to the hearts of those who wear it." *Voler Love pouch, \$11,000, by Grace Raymond and Jacquie Aiche at volerlove.com*

"This is one of my favorite pieces by Eric Schmitt, a French designer that specializes in limited-edition pieces." *Jaillissement chandelier, \$56,160, by Eric Schmitt at ralphpucci.net*

"The bold graffiti-printed fashion collections of Stephen Sprouse inspired this rug. The lines move in an organic way, and the bold scale is complemented by a pared-down color palette." *Farrah Ruby rug, \$161 per square foot, by Nicole Fuller for The Rug Company at therugcompany.com*

"The Dudina chair is petite yet can stand alone as it commands a sense of grandeur." *Dudina chair, from \$2,155, by Lazzarini & Pickering for Marta Sala Éditions at thefutureperfect.com*

"This shade is rich, velvety and deep while still emoting warm tones." *Off-Black paint, \$99 per gallon, farrow-ball.com*

"This cabinet is gilded to perfection with stunning curves and a handle inlaid with onyx to give it the right balance of sophistication and glamour." *Silk gold cabinet, price upon request, by Achille Salvagni at maisongerard.com*

SUPERSONIC BLONDE

"Whether it's an interesting stitch on a dress that inspires a custom piece of upholstery or a surprising combination of colors that hits just the right note, fashion plays a role in almost everything I do," says bicoastal designer Nicole Fuller. Known for her confident use of color and an aesthetic that oozes sophisticated glamour, Fuller is currently at work on a variety of projects, including a complete redesign of a Malibu, Calif., beachfront estate; a hotel conversion in downtown Los Angeles' Arts District; and collaborations with Farrow & Ball, Ann Sacks, Savoir Beds and The Rug Company. "I'm also very excited that my Nicole Fuller Collections furniture line is launching at JF Chen early [this] year," she says. Here, the multihyphenate—who also has pieces in the works for Ralph Pucci—shares what's on her hit list. —Laura Eckstein Jones
